

ST JOHNS SCHOOL

HEADTEACHER - TRACY WILLOUGHBY BA (HONS) NPQH

REMEMBRANCE

Poppies will be on sale in school until 11th November.

There are traditional poppies which are available for a small donation and there are also a range of other items - wrist bands, bracelets and key rings - a minimum donation of £1 is required for these items.

A big well done to the children in Years 3 & 4 who took part in the western hockey tournament at QE2. The school team came second overall and then went through to the all island finals at the NSC where they played brilliantly against the top 10 island teams.

Wear Red for International 22q Day

On Friday 21st November we will hold a non uniform day and children can wear something red to support this charity.

On this date many buildings across Europe will be illuminated in red to raise awareness about 22q11 - also known as DiGeorge syndrome.

This is a condition present from birth that can cause a range of lifelong problems, including heart defects and learning difficulties.

Fungi Connect

As part of UK Fungus Day which was on Oct 10th in efforts to raise awareness of the importance of fungi to the planet and everything on it, the children in Eco Club and the Peregrine class entered a competition called Fungi Connect. The children could use different mediums for their art work. We did leaf rubbing for the backgrounds and observational drawing from photographs for the fungi.

St Johns won a £25 book voucher and a mushroom growing kit.

Well done to everyone who took part and thank you to Mrs Jones and Mrs Douglas for arranging this.
