

The following information provides a breakdown regarding levels of attainment in Years Two and Six at St Johns School for the academic year 2023/24

The data does not form a complete picture of achievement at our school which is measured by the individual progress a child makes.

The data does not show the differences between a cohort nor the range of Additional Needs, EAL or pupils who have transferred into our school.

It is a snapshot of attainment by that group of children.

Data is always used to inform next steps in learning for individual children, groups and cohorts

Early Years Foundation Stage		Good Level of Development = 60%	
Total number of children = 9			
July 2024	End of Key Stage 1 (Year 2)	Total number of children = 12
